### SUMMARY:

---

Highly adaptable web developer skilled in HTML, CSS, and JavaScript frameworks (React & Express Js), adept at leveraging Bootstrap for responsive designs. Proficient in MongoDB, with a fresh perspective and a passion for crafting efficient, user-centric web solutions

### WORK EXPERIENCE:

---

#### Codsoft

Web Development Intern | 20/10/2023 - 20/11/2023

- Developed and maintained web applications using JavaScript, HTML5 & CSS3.
- Developed responsive design that improved mobile usability.
- Analyzed requirements to determine the best approach for developing new features or improving existing functionality.
- Collaborate with other developers to update the website and create new features.

### RELEVANT PROJECTS:

---

#### Note Book App (MERN App)

This MERN application uses MongoDB, Express.js, React.js, and Node.js technologies for authentication and login. It uses JWT for authentication and allows users to save notes using their ID and password. The backend is developed using Express.js, while the frontend is created using React.js, a trending technology.

#### File Transfer (MERN App)

This application is built with the MERN stack and is designed for sharing files via links that anyone can use to download the respective files.

#### News App (React JS)

News application uses a dynamic API to provide real-time updates and information from around the world. It integrates React technology for an intuitive and seamless user experience. The app offers a wide range of news articles, tailored to users' interests and preferences. The React-powered app provides relevant and accessible information.

### EDUCATION:

---

**2019 - 2023 | Babulal Tarabai Institute of Research and Technology (RGPV)**

Bachelor of Technology - Mechanical Engineering

CGPA : 7.59 ( A Grade )

### SKILLS:

---

**Technical Skills :** HTML, CSS, JavaScript, React JS, Node JS, Express JS, Bootstrap, MongoDB, NPM , Tailwind CSS.

**Soft Skills:** Communication, Teamwork, Time Management, Leadership.

### CERTIFICATION :

---

**React JS Developer**  
Lets Upgrade 2022

**JavaScript Developer**  
Lets Upgrade 2022

**Node JS Developer**  
Lets Upgrade 2022
